FOOTBALL RULES HAVE BEEN REVISED DOWNWARD

Football has been revised at the hands of its friends. The revision is downward and the first down shows a gain for the game. The intercollegiate football rules committee, which met in New York Saturday, has announced six changes in the game which are to make it a safe and sane sport for college men. The rules as advised by the committee are:

1. Removal of the requirement that a player who receives the ball from the snapback, run five yards to either side before advancing.
2. A requirement that seven men be maintained by the offense on the line of scrimmage.
3. Prohibition of the flying tackle.
4. Division of the game into four periods of 15 minutes each.
5. No pushing or pulling of the runner be allowed.
6. A requirement that the ball, in the case of an outside kick, must strike the ground at least 25 yards beyond the line of scrimmage, falling which, the members of the team kicking the ball are offside.

Two Plans.

Having made these six changes to throw safeguards around the game, the committee took up a discussion of two plans for directing the style of play, and strengthening the offense sufficiently to balance the new opponents for defense.

The first plan contains two chief features, (1) limitation of the forward pass to territory behind the line of scrimmage, (2) limitation of the width of scrimmage lines. These two provisions would make forward passes and quarterbacks run better ground gainers by opening up the play and compensating the weakness of the offense in other ways.

Two schemes for defining the width of the scrimmage line were proposed. One was an arbitrary limit of five yards on each side of the ball; the other was limitation of the line of defense to the width of the line of offense. Everything that tends to thin out the line invites mass plays by narrowing the line, the committee hopes both to strengthen it and thus to make end runs more profitable. Under this system, if the runner, in circling the end, were not boxed almost before he got under way, he could reach free territory at either side of the line of scrimmage with a good chance for gaining ground. The main objection so far raised to this first plan of limiting the forward pass and the width of the line, is that it may result in too much scoring. It is probable that the distance gained will be raised to 15 yards in three downs, with a possibility that less distance will be required as the goal line is reached, or that four downs instead of three will be allowed with the same gain required.

Second Plan.

The second general style of play under consideration provides for 10 yards' distance to be gained. The forward pass, under this plan, would be allowed beyond the line of scrimmage with the present requirement of running to either side, five yards from the center and with the additional condition that on forward passes the ball may be received only by the men on the ends of lines or by the backs. At present the tackles are allowed to receive the ball. In case of an uncompleted forward pass, the ball is to be brought back to the point at which the pass is made and the play is to be counted as one down. This loss of a down is the only penalty attached, except that in case the man who passed the ball had first carried it toward his own goal, the distance he ran backward would be lost to his team.

Such decreases in the penalty attached to use of the forward pass will operate, the committee feels, for greater use of the play. It is also desired to afford protection to the man receiving the ball on a forward pass, but what manner of protection has not been determined. The problem is one of the most difficult raised for solution.

At the beginning of the second and fourth quarters, teams are to change goals, the ball being put in play at the same relative position which it was at the beginning of the preceding quarter.

Many other points were discussed, such as whether the kickoff shall be retained and whether goal shall be kicked after touchdowns have been made, were not settled. Decision on such details depends on the general style of play ultimately adopted.

The Musician's Favorite

Professional musicians and expert piano players favor the small grand piano. They are the only perfect piano, and should be used by those aspiring to become finished pianists. The action is so elastic, the tone absolutely perfect, making playing a real pleasure rather than a task. We have just received a shipment of the finest lot of grand pianos ever shipped to El Paso from the World Renowned Sohmer & Co., The Famous Ivers & Pond, and the Celebrated Adam Schaff.

In the Sohmer, we have their Louis XV Art Grand, used by the world's greatest artists. We have the Ivers & Pond Princess Grand, famous the world over.

In order to introduce our exceptionally fine line of Grand Pianos we are going to sell them at from \$600 and upwards. We take old instruments in exchange as part payment, allowing all that are worth. Ask for our easy payment plan.

We cordially invite Musicians, Music Teachers, and piano buyers to call and examine our exceptionally fine stock of grand, and upright pianos at our new location, Corner Texas and Stanton streets.

MEXICAN WINS ROPING CONTEST

Rafael Fraustro Leads the Cowboys in Tying the Steers.

Rafael Fraustro, a native Mexican who rides on an American tree, carried off first honors from the northern brothers in the roping contest at Juarez. Ed Echols landed second place, and Bert Weir third. Thirty steers were thrown and hogtied during the two days' meet.

They were "runnin' soundrels" were the long horns, and they leaped out of the shoot like cannon balls. Perhaps that accounted for slow time all around, perhaps not. There was plenty of fun, though. The Mexican roper Saturday tried some money business with hind foot catches, but soon settled down to hanging it on the horn pickets. Many of the Americans did quicker roping, and prompt dismounting than he, but they failed in quick work on the hogtie. Also there was some "brink back" when Richardson, carded as from Cheyenne, climbed a couple of pitchin' ones. His first mount would not pitch a lick, and the crowd hollered, "otro toro." Other of the wild ones got up and ragged properly, and everybody was satisfied. Also there was some steer riding by Mexicans, and a broncho busting little negro boy, who pulled all the straps from his saddle.

Here is the official record of each man's best tie in the order in which he roped during the two days:

Ed Echols, Dragon, Arizona, 1:15.
46 2-5, 36 2-5, 35 2-5, 49.
Bert Weir, Monument, New Mexico, 46 2-5, 50 1-5, 1:34, 35 1-5.
Geo. Weir, Monahans, Texas, 1:29, 47 2-5, 40 2-5, 41.
Rafael Fraustro, Terrazas, Mexico, 33 2-5, 28 3-5, 46 2-5, 33 1-5, 35 1-5.
Chas. Vesper, Newman, New Mexico, 33 1-5, 48, 33, 37 2-5.
Thos. L. Greer, Juarez, Mexico, 33 1-5, 46 1-5, 41 4-5, 35 3-5.

The Juarez Cow-Boy park property will be transferred to a stock company made up of southwestern cowboys. Tom Greer, the present owner, will continue in management. The officers and heaviest stockholders are: Bert Weir, Monument, N. M.; Ed Hall, Nutt, N. M.; Ed Echols, Dragon, Ariz.; Bud Ficker, Villahermosa, Mex.; and Thomas L. Greer of El Paso.

Bert Weir has issued a challenge to Ellison Carroll, the territory roper who claims a 17 second record, also the world's best. Weir says he is willing to place \$1000 for a ten steer match.

GOLFERS MAKE GOOD SCORES

Expert Livie Plays Nine Holes in 34—Driving Contest Arranged.

An ideal outdoor day, the hostesses of the ideal outdoor game for outdoor men journeyed Country clubwards Sunday to bat the little pill over the greenless green and grassless ground of the caliche course. Dr. James Vance was feeling particularly golfish Sunday and hit it up around the course in Hamiltonian style. He made it in 50 Sunday, which was two above his best score for the course, but was one below bogey at that. A. W. Houck played around in 88 and a number of others made the home hole in less than 90. D. S. Livie, golfing better than he has in a long time, played nine holes in 34. He made two rounds in 76, making the morning round in 34 and 42, and the afternoon one in 36 and 40.

Saturday afternoon a men and women's driving contest will be held at the club.

Y. M. C. A. AFTER MORE MEMBERS

Contest Planned Between Five Teams—Forum Discusses Conservation.

With the 1000 mark as a goal, members of the Y. M. C. A. are preparing to campaign for more members. The list now stands at 750.

The membership will be divided into five teams of 150 members each, with the following captains: L. T. Gilchrist, F. K. Pickrell, J. C. Zozaya, Thomas Finney and A. L. Sharpe. The winning team will be entertained at a dinner. The individual boy who gets the most new members will receive a free trip to the boys' camp in June.

Y. M. C. A. Notes
At the Y. M. C. A. forum Saturday night, E. Rankin discussed the Ballinger-Pinchot controversy; H. C. Crawford gave views on the conservation policy of the United States, and R. F. Davis told of the effect of forests on climate and food.

About 40 couples attended the boys' department social Saturday night. The older members brought their best girls.

A musical program entertained the Y. M. C. A. assembly of Oberlin, Ohio, delivered two addresses at the Y. M. C. A. Sunday. At 2:30 he spoke to the younger boys on the subject, "Two Lads and Two Ladders," and at 3:30 he delivered an address to men on the subject, "The Significance of Sex."

SAYS JEFF WILL BE ABLE TO "COME BACK"

Fight Promoter Thinks Million Dollars Will Be Wagered.

New York, N. Y., March 28.—William A. Brady, the well known fight promoter, is authority for the statement that Jeffries will be able to "come back" and give Johnson all the trouble he wants when they meet in El Paso on July 4. He referred to Corbett, who "came back" and made things interesting for Jeffries, and Jeffries has kept himself in much better condition than did Corbett, according to Brady.

The former fight promoter is also authority for the statement that \$1,000,000 will be wagered on the Jeffries-Johnson fight.

Tex Rickard, one of the promoters of the fight, has announced at Bakersfield, Cal., that Jeffries has "gone back" too far and that Johnson will come out fitter.

SEASON OPENS AT DOUGLAS, ARIZ.

Dons Still Have Hope of Landing Scott From Chicago-White Sox.

Douglas, Ariz., March 28.—Fans are plumb crazy, and fanasses are just wild with all, for baseball has begun at Douglas.

There are Kane and Malins as batteries, and Walters and Ford as another; also there is Tom Smith, Redford Eckert (the Swede), Peralta, Thomas, and to come, Mills, the heavy hitting right fielder, belonging to El Paso last season. Mills will play in the outer garden for the Dons. Another one, Shipka, will come rolling along almost any time now.

A whirlwind is a likely possibility. He is Jimmy Scott, who won for Douglas at the El Paso fair. Scott is no meat pitcher. He is at outs still with Comkey.

Five of the Bisbee 1910 team have arrived for play. They are: George Pullman, left field; James Kerwin, second base; George Dalrymple, center fielder; Floyd Hansen, right fielder, and Oscar Fiere pitcher.

Saturday afternoon a men and women's driving contest will be held at the club.

SOX WORKING OUT AT PARK

Old Favorites and New Men Are Getting Acquainted Fast.

White Sox No. 57093, manager Harbuck, of course, are showing each other a thing or two out at Washington park these balmy days. They are getting steam up (to use a hackneyed term) for that meeting with the real sure white Sox when they come here March 30.

There's "Ducky" Gowan, funny man who will bank in center garden; Carl Earlsman, holding second bag; an old Texas leaguer; big wallop McCarthy as shortstop; infielder Head, with a good throw; Harry Hartley, Kiefer, "champ" sun field artist; C. A. "so'west" old and reliable Tex Merritt, right batsman; "Hey" Wylie and Frick, just landed, but promised good.

And more, and better of it. There are those to new ones coming down from Chicago, promised as bucksome lads.

DETROIT TIGERS BREAK CAMP AT SAN ANTONIO

San Antonio, Texas, March 28.—The Detroit Tigers broke camp today, a full team leaving for east Texas and southern league cities, including Houston, Galveston and Beaumont. They expect to reach the remainder of the team at Indianapolis early in April. Those in the traveling line up are: Pitchers Mullin, Donovan, Willett, Lelievre, Hardin and Kilian; Schmidt and Brecken; catchers: T. Jones, first base; Kirk, second base; Simmons, third base; Lath, ers, shortstop, and Crawford, Cobb and D. Jones in the outfield.

A banquet was tendered the entire Detroit club and visiting newspaper men last night by the City Advertising club.

BEDWELL ENTRY WINS HANDICAP AT OAKLAND

Oakland, Cal., March 28.—H. C. Bedwell, who came here from El Paso, has again come to the fore his colors being successfully carried in three races Saturday. The Golden Gate handicap was won by Righteas.

McLean Suspended.
Hot Springs, Ark., March 28.—Larry McLean, the star catcher of the Cincinnati Nationals, has been suspended by manager Griffith for an alleged infraction of the club rules.

YANIGANS WIN FROM UNION TEAM

The White Sox Make a Good Showing in First Practice Game of Season.

Off again, on again, gone again yanigan. They weren't so musty were the El Paso yanigan players on the Washington park diamond Sunday. Any fan who was there will say so.

Only one error was made by the yanigan team, which isn't bad for a beginning. The crowd of honorary fans was good natured, and optimistic exclamations were plentiful. In the fourth the yanigans made a pretty triple play, but it didn't help any.

Many say that manager Harbuck has the fastest roundup of runners and tossers that El Paso ever called her loving own. Anyway yesterday showed some white material, if a practice game shows anything.

Score: R. H. E.
El Paso.....15 13 1
Unions.....0 4 4

For the first practice game of the season the local White Sox laddies did very well indeed. They pounded out a box score with the Unions. The union players didn't make monkeys of themselves either, if it did end 15 to 0.

Only one error was made by the yanigan team, which isn't bad for a beginning. The crowd of honorary fans was good natured, and optimistic exclamations were plentiful. In the fourth the yanigans made a pretty triple play, but it didn't help any.

SOX SMOKER TO BE HELD WEDNESDAY

Fans Are Expected to More Than Tax Capacity of Chamber Building.

Hear ye, hear ye, fans of El Paso. It is not far off, the biggest feature of the spring—Wednesday at the chamber of commerce—eats, drinks, talks, White Sox. It will be great.

It will be arranged Tuesday night. All committed men will meet then at The Herald office, at 8 o'clock.

Every committee will report, and the finishing touches on the big White Sox smoker will be made a la free hand. Still, there are a few of the twobit tickets unsold. But it is not possible that there are too few fans in El Paso to fill the chamber building to overflowing. It cannot be, it must not be, it will be, it won't be, glory be.

BOWLING CONGRESS OPENS AT SAN FRANCISCO.

San Francisco, Cal., March 28.—Brrrr from all the southwest—except El Paso, Texas—are in attendance at the annual tournament of the Western Bowling congress at the Jefferson square alleys in this city. No games have been bowled yet, but mayor McLeary shot the first ball down the alley. Play will begin today. The mayor made an address and officers of the congress responded at opening ceremonies Saturday night.

KENTUCKY FUTURITY ENTRIES BREAK RECORD

Lexington, Ky., March 28.—The 21st renewal of the \$21,000 Kentucky Futurity, which closed March 15, has the entries of 1361 mares, according to the announcement of secretary Horace Wilson. This is a large increase over last year.

The entries made by the Walnut Hill farm, owned by S. L. V. Harkness, Donnell, Ky., number 165 mares, and the Patchen WBKs farm, owned by W. E. D. Stokes, Lexington, Ky., 128 mares.

THE SMELTER BASEBALL TEAM HAS EASY VICTORY

By a score of 13 to 4, the Smelter baseball team defeated the town team Saturday afternoon. The battery for the smelter boys was Feckner and McLaughlin, and for the town team, Marcos and Reynolds.

The smelter team expects to play every Saturday afternoon and will probably go to Chihuahua the latter part of April.

JOHNSON SAYS HE IS NOT TO TRAIN APRIL 1

Chicago, Ill., March 28.—"Jack Johnson is not going into training on April 1 for the fight with Jeffries, that is, I have anything to do with the matter," is his last statement.

All this, in spite of the fact that Jack Gleason is coming from "Frisco" to endeavor to persuade the black to commence training at once.

"If anybody thinks I am going to train for this fight for three months, he's crazy," Johnson also said.
